### Space and Naval Warfare Systems Command Awards Contract

SAN DIEGO — Trivec Avant Corporation\*, Huntington Beach, CA, is being awarded a \$2,898,200 five year Indefinite Delivery, Indefinite Quantity Firm Fixed Price contract (N00039-01-D-3220). This contract is for building and manufacturing OE-82 UHF SATCOM Antennas for various U.S. Navy surface ships. This antenna system is required to meet current Navy UHF SATCOM requirements including Radar Cross Section compliance. This contract includes options which, if exercised, would bring the cumulative value to \$63,729,140. Work will be performed in Huntington Beach, CA, and the initial delivery order is expected to be complete by November 30, 2002. Contract funds will not expire at the end of the current fiscal year. This contract was competitively procured through solicitation (N00039-00-R-3207) with three offers received via the SPAWAR Business Opportunities Web Site ([e-commerce.spawar.navy.mil](http://e-commerce.spawar.navy.mil)) and via the Commerce Business Daily. The Space and Naval Warfare Systems Command, San Diego, is the contracting activity (N00039-01-D-3220).
